*See over for Terms and Conditions

Terms and Conditions. The Optus Icon Employee Plans are only available under special offers to full-time or part-time employees of an Optus-approved corporate or government entity. Some exclusions apply. 1. Requires 24-month connection to the **Optus Icon 25 Plan** with a monthly access fee of \$25 for the Sony Ericsson W705 or Nokia 6210. Minimum total cost over 24 months for the Sony Ericsson W705 or Nokia 6210 is **\$600. All Plans:** Call rates 12¢ per 30 seconds for calls within Australia. If the connection is not maintained for 24 continuous months you will be required to pay the following: for cancellation between months 1-12; \$374 for the Optus Icon 25 Plan ("Maximum Cancellation Fee") and for cancellation between months 13-24 an amount in accordance with the following calculation: for months 13-15, 80% of the Maximum Cancellation Fee; for cancellation between months 16-18, 60% of the Maximum Cancellation Fee; for cancellation between months 19-21, 40% of the Maximum Cancellation Fee; and for cancellation between months 22-24, 20% of the Maximum Cancellation Fee. * **'yes' Time:** Some call types excluded. Optus Fair Go™ policy applies. 'yes' Time only applies to calls: made and received within Australia between 8pm and midnight, from one Optus Mobile Digital customer to another (on Optus GSM network within Australia) for the first 20 minutes per call, after which standard mobile rates of your eligible plan apply. # 10 Free SMS only apply to standard text SMS originating from handset within Australia. This excludes video, MMS, and Premium SMS. ^ Some call charges like International Roaming and 1900 calls are excluded from the monthly included call credits. ^^ **Optus Dual Band service:** Refers to our 2100MHz/900MHz Network. Optus dual band handset/device can provide access to 3G services in the Optus dual band coverage area. **Optus 3G Services:** Refers to our 2100MHz network. Optus 3G handset/device can provide access to 3G services only in the Optus 3G coverage area. Outside these areas, service will fall back to our Optus GSM/GPRS network. For full coverage information, please go to www.optus.com.au/coverage. Actual network speeds both upload and download may vary dependant on the type of device in use, location and the number of users accessing the network at any given time. Speeds refer to maximum download speeds. Upload speeds will be lower than download speeds. ****Video Calling** is handset dependant and both parties must be in 3G coverage area. International Video Calling is charged at \$1.50 per minute, plus 35¢ flagfall per call. Roaming rates for video calls made whilst travelling overseas will apply. See www.optus.com.au/zoneroaming for more details. Use of Optus 3G Service only available with compatible handsets. Video Calling is only available between video-capable handsets within 3G coverage area. If you or the other person on the video call move out of the 3G coverage area, your video call will drop out and you will only have to option to call the person back with a voice call. **Text Message (SMS):** Message charges may be incurred for up to eight days from the original send date regardless of successful delivery or not. International text messages are charged at 35¢ per message. **Optus MMS and Optus Email MMS:** 1. International MMS is charged at 75¢. Charges apply per message sent per recipient regardless of successful delivery or not. 2. Optus Email MMS is charged at 60¢ per message sent (one message can be sent to multiple recipients) regardless of successful delivery or not. 3. If an MMS message is sent to a mobile handset or network that is not MMS-enabled or compatible, message recipient will be sent an SMS message. You will still be charged for sending an MMS.
